

**MEMORANDUM OF UNDERSTANDING
ON ACADEMIC COOPERATION
BETWEEN
HUE UNIVERSITY OF AGRICULTURE AND FORESTRY
OF THE SOCIALIST REPUBLIC OF VIETNAM
AND
SAKON NAKHON RAJABHAT UNIVERSITY
OF THE KINGDOM OF THAILAND**

The parties to this agreement are Hue University of Agriculture and Forestry of The Socialist Republic of Vietnam and Sakon Nakhon Rajabhat University of the Kingdom of Thailand, collectively referred to hereinafter as the Parties.

With the resolutions to strengthen relationships to extend bilateral cooperations and assistance, as well as the recognition that education is crucial for national development, the Parties are uniquely positioned to collaborate on a range of initiatives that are mutually beneficial. Therefore, the Parties agree as follows:

1. Admission of graduate students.
2. Development of teaching and learning activities and resources.
3. Development of students' activities and student exchange programs.
4. Professional staff development and specialist exchange programs.
5. Conducting short training courses in various subject areas. This agreement will be effective only upon mutual agreement by both Parties.
6. Conducting research, technology transfer and other academic activities.
This agreement will be effective only upon mutual agreement by both Parties.
7. Conducting academic journals.

This Memorandum of Understanding is signed hereafter by the representatives of both Parties on 10 June 2014.
